The company

Ennoblement Technique de Cernay

43 avenue Montaigne

68700 CERNAY, FRANCE

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report 14-04004

**CONFIDENCE
IN TEXTILES**

**Tested for harmful substances
according to Oeko-Tex® Standard 100**

CQ 919/1

IFTH, LYON

for the following articles:

Commission dyeing and finishing. Bleaching, dyeing and finishing on woven cellulosic fabrics: 100% linen, 100% viscose, cotton/polyester, with or without elastane. Reactive, vat/disperse and reactive/disperse dyestuffs.

The results of the inspection made according to Oeko-Tex® Standard 100, product class II have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 30.09.2015

Lyon, 02.12.2014

Bruno CHEVET
Head of operations
